## Directions to the Office on 1 Fisher Lane (by Road)

### From the North (Newark, A46 or Doncaster, A6097)

At the A6097 and A46 junction (currently a roundabout but soon to be flyover!), take the turning marked with a local sign to Bingham - first exit from A46, second from A6097.

Continue on this road passing a small industrial estate and going over railway lines into Kirk Hill and then Fairfield Street. Go straight ahead at the first cross roads (with traffic lights) into Tythby Road.

**\*\***Take the first left, marked 'Leisure Centre' into Banks Road. Then, at the first mini-crossroads, take the third left turn into Fisher Lane: Toothill School entry on your right.

*[If you miss the cross roads, continue straight onto Long Acre which then bends right becoming Grantham Road. Take the first right after this right-hand bend onto Banks Road. Then follow the directions below\*]*

The Accomplice Office is the far end of Fisher Lane on your right. Parking is available down most of the road.

### From the West (Nottingham, A52) and South (Leicester, A46)

At the roundabout marking the intersection of the A46 (Newark-Leicester) and A52 (Nottingham-Grantham), take the turning marked in a local sign to 'Bingham' onto Nottingham Road. From the West (Nottingham, A52), this will be the SECOND exit; from the South (Leicester, A46), this will be the THIRD exit.

Drive straight down Nottingham Road (single lane traffic), until the first crossroads with traffic lights – turn right into Tythby Road. Continue from **\*\*** above

### From the East (Grantham, A52)

Driving towards Nottingham on the A52 from Grantham, after passing (on your right) turnings to Aslockton and Whatton and Whatton Prison itself, take the first right turn (filter lane) into Grantham Road. Take the fourth left, just after the police station on your left, into Banks Road - also signed 'Leisure Centre'.

\*Continue down Banks Road until the first (and only) mini-crossroads. Take a right here into Fisher Lane: Toothill School entry will have been on your left.

*[If you miss Banks Road turning, continue on the Grantham Road which becomes Long Acre. Having passed over a zebra crossing, turn left at the first cross roads with a set of traffic lights. Then follow the directions above from here \*\*]*

The Accomplice Office is the far end of Fisher Lane on your right. Parking is available down most of the road.
